Dear Parents and Kingstown Community,

The time has arrived! Students are eager and prepared to perform their class plays, “Snow White” and “Aladdin.” Thankyou Bec, Mel, Tammy, Robyn and Jess for your fantastic work creating props and background scenes. You have all done an incredible job!!!

Tomorrow’s matinee performance will commence at 10.00am. McMaugh’s Garden residents will be attending as well as Kentucky’s Years 3-6. Thursday’s night performance will commence—6.00pm sharp. This is an earlier start to previous years, however with two plays to perform, we thought it better to start a little earlier. Both plays are about 50 minutes with a short 30 minute supper interval.

All students will need to be at school at 5.00pm. Please contact the school office if this is a problem.

It would be appreciated if parents and friends could bring along something to share over tea and coffee.

There will be NO CANTEEN tomorrow, due to the matinee school play performances.

Thank you so much to Kylie Vincent who has been working tirelessly to enable Kingstown Pre-school to continue. On behalf of the school and wider community—Thank you so much!

The P&C are asking for Christmas hamper contributions for the school raffle.

**Sport and Recreation’s Swim and Survive lessons**

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.  

Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help young children learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.  

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.  

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.  

Our instructors are nationally qualified and screened for their suitability to work with children.  

Prices for nine lessons are $60 for school-aged children and $40 for preschoolers (prices exclude pool entry fee).
