• The school has applied for grants to subsidise the gymnastics program, if the grant is not approved the P&C will pay the difference.
• It was decided that the P&C write a thankyou letter to Phil Jones and Mandy Fisher for the Grants for the Mandarin lessons.
• It was Moved: Lyndie Beynon and Seconded: Tim Dew that Brad Eggins use the holiday period to upgrade the fish pond. Which will allow drying time and prevent any safety hazards. The loam will come from the Swales’ and the cement from the Kingstown store and be put on the P&C account.
• It was agreed that the raffle be drawn at the sports carnival.
