Business arising from previous minutes:

- **Cross Country**
  Successful cross country, net about $600 for the day.
  Chicken skewers although tasty were probably not worth the hassle as they are fiddly to handle and cook.

- **Building Works**
  Money has been allocated to put new floor boards on the library verandah, funding will probably be available in the future to install windows in the eastern wall of the library.
  Some buildings have been painted this week

Lake Keepit Excursion
Sharon Ryan informed the meeting that the cost of the excursion would be $4500 total. It was decided that the cost would be $100 per child for the first child and $80 per child for the second child where this applies.

Cathy Chandler moved, seconded Robyn Frazier that the P&C would make up the difference, this amount will be finalised when exact numbers are determined. The motion was carried.

Norma Betts (bus driver) has offered to run the street stall in Uralla on behalf of the school to raise funds. Her generosity is greatly appreciated. Possible items for sale would be a wood raffle with other suggestions welcome.

- We would work on 100 guests, with tickets costing around $50
- Norma Betts has offered to organise a holiday which could be raffled and drawn on the night
- Pete Stevenson has organised an auctioneer to sell parents
